Dress in the Clubhouse and on Sporting Facilities

Members and guests shall be suitably attired when in the Clubhouse and on Sporting Facilities as per Dress Code.

Membership

No member whose subscription, or instalment of subscription, is in arrears shall have the right to compete for any prize or vote at any meeting of members until their arrears have been paid, or payment arrangements have been made with the Manager.

Complaints

All complaints should be made in writing to Management. No member shall directly reprimand any employee.

Club, Buggy and Locker Storage

The Buggy and Cart storage hire is controlled by the Sports Shop. Items in these areas are not covered by club insurance and are left at the owner's risk.

The Locker storage and rates are available at Reception.

Golf Course Condition

To assist in keeping the course in top condition, please ensure that you repair your plug marks on greens, rake bunkers, and fill your divots and always carry a sand bucket.

Devonport Country Club

Golf Etiquette

1. No one shall move, talk, or stand to or directly behind the ball or the hole when the player is addressing the ball or making a stroke.
2. No player shall play until the players in front are out of range.
3. In the interests of all, players should play without delay. Undue delay is subject to penalty.
4. To keep the game flowing, pick up your ball when strokes are exhausted in either a Stableford or Bogey event.
5. Players searching for a ball should allow players coming up to pass them and should not continue their play until those players have passed and are out of range.
6. Before leaving a bunker, a player should rake and leave the rake in the bunker.
7. Through the green a player should ensure that any damage to the putting green made by the ball or the player, is carefully repaired.
8. Please repair all divots where possible or fill with sand.
9. When the play of a hole has been completed, the players should immediately leave the putting green.

Devonport Country Club

Bowls Etiquette

1. Be on Time.
2. Stand still when someone is about to Bowl, If you are at the head, wait until the person playing is done bowling, then move. If you are at the same end as the player delivering the bowl, stay away from the mat and the player's line of sight.
3. Dress appropriately, Ensure that you adhere to the dress code for the game.
4. Be alert as you walk around adjacent rinks.
5. Observe the rules of possession.
6. Acknowledgments are in order. Good bowling is the appreciation of skill to keep the congenial spirit alive. Congratulating an opponent, or tapping a player on the back for making an exceptional move is always in order. Also, take note of lucky shots and acknowledge them whenever necessary.
7. Do not dump the bowl on the green, Dumping or throwing bowls on lawns for no particular reason is considered impolite. Bowling lawns are delicate and dropping bowls on them could damage the greens. You should not kick bowls or drop them. Pick them up gently and place them on the ground if you do not need them.
8. Send signals from the head, Signal your team player as necessary. Tap your knee to signal that the struck bowl belongs to the adversary team or tap your shoulder if the struck bowl is yours.
9. Shake hands, It is good sportsmanship to shake hands before and after a game, and introduce yourself when necessary.

Devonport Country Club

Croquet Etiquette

1. Always measure the ball on the yard line with your back to the court.
2. Do not begin your turn until the adversary has replaced yard-line balls and placed clips correctly on the hoops after his last stroke.
3. At the end of your turn, quit the court at the nearest point.
4. Call a referee or adversary to watch ALL questionable strokes. (A questionable stroke is one in which a fault could occur i.e strokes to be made near hoops or the peg or fine take-offs in the corner).
5. To call a referee or the adversary raise the mallet above your head.
6. Ask politely, "did you see that ball move".
7. Never use the mallet to test whether the ball has started or has finished the running of a hoop. It is suggested you have a reel of cotton for this purpose.
8. Remember, players are a joint referee of the game so should watch all play.
9. Never quit a game until finished unless mutually agreed otherwise.

Devonport Country Club

10. DOUBLE BANKED GAMES

- (a) Before entering the court always look around to ascertain what players of the other game are doing.
- (b) Be aware of the other player all the time and do not cross the path of their line of aim.
- (c) If two players want the same patch of the court, the one who will clear the area first should play on.
- (d) Do not lift a ball that is in a critical position unless necessary. Let the player of that ball go first.
- (e) Always seek the other player's permission before lifting a ball that may interfere with your stroke.

Membership Cards

All members are required to carry their membership card when at the club and present when asked.

Board Events

Playing rules for all board events are posted on the Notice Board and players must ensure that they have read them before the start of the event.

Code of Conduct

All members are bound by the Club's Code of Conduct, copies of which are on all Noticeboards.
